1. **LEARNING:** What have you learned from this course? Consider, **as appropriate**, how the course deepened your critical or analytical abilities, factual knowledge, understanding of concepts, creativity, communication skills, and ability to pursue further work in the subject.

Refer to course name: French. I learned grammar along with a lot about civilization and culture. I learned about the Gaulois, Asterix, the French Revolution, WWII, Mai '68 and more. I liked the class and will continue on with French.

2. **YOUR PARTICIPATION:** How would you assess your own effort in the course? How much effort did you expend as compared to your other classes?

I participated a good amount in this course. There was also online homework (challenging & confusing at times), written homework and other assignments that required time like essays and watching film, questions of class.

3. **COURSE CONTENT AND FORMAT:** How did the various components of the course contribute to your learning? Consider, **as appropriate**, lectures, readings, writing assignments, problem sets, films, labs, drills, studio work, debates, discussions, presentations, field work, or group work.

I think the film and also the watching of Les Revenants helped my understanding because it makes me think quicker to understand and also enjoy the movie/show. Essays were also very helpful because I think my written French has improved greatly.
