1. **LEARNING:** What have you learned from this course? Consider, **as appropriate**, how the course deepened your critical or analytical abilities, factual knowledge, understanding of concepts, creativity, communication skills, and ability to pursue further work in the subject.

During this course, I have broadened my language experience. Not only have I expanded my knowledge of French grammar, but I have also expanded my knowledge of Francophone cultures through all different types of literature.

2. **YOUR PARTICIPATION:** How would you assess your own effort in the course? How much effort did you expend as compared to your other classes?

I would participate a lot in this class because I know how important participation is when learning a language. I did all the homework and participated in class regularly.

3. **COURSE CONTENT AND FORMAT:** How did the various components of the course contribute to your learning? Consider, **as appropriate**, lectures, readings, writing assignments, problem sets, films, labs, drills, studio work, debates, discussions, presentations, field work, or group work.

The language lab work in work book seemed like a bit of a waste of time. However, the videos and readings were very helpful when talking about culture and applying the appropriate grammar.

Through these teachings, I have improved my communication skills, and I feel confident in my ability to pursue further work in the subject.

2. **YOUR PARTICIPATION:** How would you assess your own effort in the course? How much effort did you expend as compared to your other classes?

I put a lot of effort into this class. I care about learning french very much and I think that shows through my extensive participation and hard work in this class.

3. **COURSE CONTENT AND FORMAT:** How did the various components of the course contribute to your learning? Consider, **as appropriate**, lectures, readings, writing assignments, problem sets, films, labs, drills, studio work, debates, discussions, presentations, field work, or group work.

Grammar lectures and workbooks furthered my knowledge in forming sentences. Readings, films, lectures, and writing assignments on the subject of those things contributed to my learning.

INSTRUCTION: How effective was the instructor in fostering learning? Consider **as appropriate** the instructor's ability to enable the development of skills, facilitate discussion, help you to understand concepts, course material, and their significance.

The instructor was extremely effective in fostering learning. I learned so much from her. She was always available to help and her choice of lectures, readings, and films was unbelievable.

The instructor's effectiveness in teaching the subject matter was:

Excellent Very Good Good Fair Poor

The course as a whole was:

Excellent Very Good Good Fair Poor

Expected Grade in the Course

A A- B+ B B- C+ C C- D+ D D- F

Would you encourage other students to take this course?

Strongly Encourage Encourage Somewhat Encourage Discourage Strongly Discourage

WHY did you make the recommendation above?

I made the recommendation above because I think that learning a language is extremely beneficial and important. Not just in the language sense, but the cultural side as well.

Thank you for your time and thoughtful consideration.

1. **LEARNING:** What have you learned from this course? Consider, **as appropriate**, how the course deepened your critical or analytical abilities, factual knowledge, understanding of concepts, creativity, communication skills, and ability to pursue further work in the subject.

I learned a lot about different Francophone cultures such as Senegal, Haiti, Morocco, etc. I learned a lot of new + applicable vocabulary on important subjects like racism.

2. **YOUR PARTICIPATION:** How would you assess your own effort in the course? How much effort did you expend as compared to your other classes?

I think I put in a good amount of effort. I didn't always participate a lot, but I put in a lot of effort on work and for studying.

3. **COURSE CONTENT AND FORMAT:** How did the various components of the course contribute to your learning? Consider, **as appropriate**, lectures, readings, writing assignments, problem sets, films, labs, drills, studio work, debates, discussions, presentations, field work, or group work.

I think reading and watching films like "Marock" or "Le Nom de Dieu" really helped deepen my knowledge of other cultures. I think the various oral exercises we did helped improve my oral skills and comfortability with speaking.

WHY did you make the recommendation above?

I really liked the class + teacher and I think I learned a lot. I'd really emphasize what I learned about other countries and cultures; it wasn't just about learning the language. I think we discussed important topics like racism, and deepened our knowledge 'of the world'.

Thank you for your time and thoughtful consideration.
