1. **LEARNING:** What have you learned from this course? Consider, **as appropriate**, how the course deepened your critical or analytical abilities, factual knowledge, understanding of concepts, creativity, communication skills, and ability to pursue further work in the subject.

   I learned a lot in this course. We spent a lot of time critically analyzing texts, movies + other forms of media to deepen our understanding of French culture.

2. **YOUR PARTICIPATION:** How would you assess your own effort in the course? How much effort did you expend as compared to your other classes?

   Not a lot of work, but had to be prepared to discuss + with such a small class, it was obvious when people didn't read.

3. **COURSE CONTENT AND FORMAT:** How did the various components of the course contribute to your learning? Consider, **as appropriate**, lectures, readings, writing assignments, problem sets, films, labs, drills, studio work, debates, discussions, presentations, field work, or group work.

   All meshed together really well; a combination of lecture, discussion + analyzing all fit together very well.
